HOW TO MEASURE

CHEST: Raise arms slightly and measure around the body. Be sure to cross over shoulder blades and the fullest part of your chest, keeping tape parallel to the ground.

NECK: Measure around the middle of the neck, over the Adam's apple, keeping one finger between your neck and the tape measure for a comfortable fit.

SLEEVE: Place hand on hip with arm bent at a 90-degree angle. Measure from the middle of the back of the neck, across the shoulder and down your arm to your wrist.
